

Year 1 Parent Partnership Activities

Friday 4th December 2020

Speedy Sounds to Practise

This week we have started our Set 3 digraphs which are the alternative digraphs:-

Alternative digraph definition - a different way to represent the same sound.

ee

what can you see?

ea

cup of tea

Can you read these words confidently?

street

sleep

green

meeting

three

beach

team

meaning

leaf

dream

Maths Corner

We are focusing on addition and subtraction in our maths lessons using the whole-part-model.

Please can children can work on pairs of numbers that make 10, these are called our number bonds.

Use objects to 10 to help find the missing numbers.

Complete the attached worksheet

The Christmas Challenge!

Over the next last few weeks in school I will be asking you to complete 5 Christmas Challenges. Choose 5 activities from the grid attached and upload a photo of all 5 challenges to win a certificate and festive treat!

All challenges must be uploaded by Wednesday 16th December.

Have fun!
