

MISSION STATEMENT

Acorns Out Of School Club aims to provide a happy and safe environment that allows children to develop through play. We provide fun and stimulating activities, both indoor and outdoor to enable children to play and socialise with friends in a relaxed atmosphere.

As qualified play workers we recognise the importance of play to a child's development. We will support play but will not seek to direct or control it.

Child's testimonial

The things I like about Acorns are my friends are there and I can play with them. We have fun activities to do every day involving making, sticking and creating.

Stephanie Age 9yrs

Acorns is held in the schools main hall. The children also have access to a Jungle gym, mini gym, playground, basketball court, quite garden and a large playing field.

Children are supervised at all times
