

St. Lawrence CE Primary School

Executive Head Teacher - Ms. Helen Osterfield

Head of School - Mrs. Alison Moore

Dear Parents and Carers,

Thursday 26th September 2019

It is been a busy few weeks here at St. Lawrence and we just want to remind you that tomorrow is our Professional Development Day (PD Day) and school will be closed for pupils while staff attend their training. We are always looking at ways to improve pupils' mental health and well being and make them confident, resilient learners ready to take on the challenges beyond primary education. Our 'Commando Joe' training tomorrow will be teaching us strategies to support our learners and build upon the work we already do here at St. Lawrence.

I would like to personally thank Gemma (Chair of the PTFA) and all the members of the PTFA for organising the second hand book fair after school on Wednesday. Thank you for all your support with this event as the money raised goes to buying new equipment and resources for school. I believe the total raised on this occasion was £109.70.

I must apologise for the confusion this week with regards to our PE lessons and in particular the tennis coaching sessions planned on Wednesday. Due to unforeseen circumstances our tennis coach, Olly could not make it into school so the cancellation was unavoidable. Just to reassure you, all other planned PE sessions went ahead and will be consistent each week.

Just a little reminder that we are still looking for a new parent governor from one of our St. Lawrence parents to join the Tibberton and St. Lawrence Governing Body. The official paperwork will be sent out again next week via Parentmail so should you wish to join this and make a difference think about your statement and get writing over the weekend. We need your support!

I must mention this week the resilience and determination of our Key Stage Two pupils who braved the awful weather conditions on Tuesday to participate in our 'Treetops Tuesday' sessions. Judie was so impressed with the pupils and said that there wasn't one complaint as they just got involved and were real troopers! Thank you to all the parents who remembered appropriate wet weather gear and wellingtons for their children. Just a reminder that on Monday after school Judie Ellis will be on site running an after school 'Forest Fun' session for parents and children of KS2 until around 4.15pm. If you missed the Early Years /KS1 session please feel free to join in on Monday.

Wishing you all a wonderful long weekend and a big thank you for your continued support.

Mrs Alison Moore and the team at St. Lawrence
