Dear Parents and Carers,

Friday 20th December 2019

This is our final newsletter of 2019 and I feel this year has literally flown by! It has been an exceptionally busy term and the children have been working incredibly hard so I think they are now ready for their festive break and some quality fun time with their families! I would like to take this opportunity to thank parents and families for the cards, gifts and festive wishes; they are always greatly appreciated and your generosity is so kind.

This week children really enjoyed their traditional Christmas lunch and we thank Kay whole heartedly for her hard work and effort preparing this for the children and staff. It really is a team effort when we have these events and I thank all the staff who helped lend a hand in the absence of Jane and made it feel very festive for the children. We send get well wishes to Jane and look forward to seeing her again in the new year.

On Wednesday afternoon the children enjoyed 'Winterfest' and joined in with a number of Christmas activities. Staff organised a number of festive activities in each classroom and children could choose what they would like to do. We had a festive film in the hall, party games, Christmas crafts and the hugely popular Christmas disco. The children had a fantastic afternoon and it certainly got us all in the festive spirit!

We had a most magical day on Thursday with the arrival of Father Christmas and hosting the residents from Deansfield Care Home for Carols Around the Tree. In the morning Class 3 children delighted the residents with their singing ability and it was so touching to see our pupils interacting so well with the elderly. In fact, there wasn't a dry eye in the hall from our staff and the carers at Deansfield! There was a buzz of excitement during the afternoon as Father Christmas read a Christmas story to each class and gave each child a small gift. The PTFA and staff worked jointly to make this such a lovely experience for all the children so thank you to everyone involved.

Wishing you all a very Merry Christmas and a Happy New Year! We look forward to starting 2020 with the children on January 6th and hearing all about their Christmas holidays.

With our Best Wishes

Mrs Alison Moore and the team here at St. Lawrence CE Primary School.
