### 'Big Sing Project' for Year 2 and Year 5

We have the fantastic opportunity of taking part in the 'Big Sing Project' at Telford International Centre this term, alongside several other local primary schools. The project is an enjoyable and engaging initiative organised and run by the performing arts company TACT (The Arts Centre Telford) and offers a very different singing experience for pupils and staff.

Being involved with Big Sing is a significant commitment for the school and those children who choose to take part in the actual event as there will be the need to learn the words and attend a few practises. Over the next few months, the whole school will be learning the songs that will be performed at the Big Sing.

Mr Jack Pierce is the organiser of the event. He is a key person in TACT, which some of our pupils already attend as an out of school club developing performance and stage skills, and he has already worked in the school supporting singing and drama. Jack is also our Vice Chair of Governors and a passionate advocate for the power of massed choir singing and its positive effects on confidence, self-esteem and wellbeing. He will be coming into school to support the preparations and run a workshop for those taking part.
