

St. Lawrence CE Primary School

Executive Head Teacher - Miss. Helen Osterfield

Head of School - Mrs. Alison Moore

Dear Parents and Carers,

Friday 7th February 2020

Firstly, may I thank all the parents and carers who came along to our Year Six SATs meeting and Key Stage One Phonics meeting on Tuesday. We really appreciate you taking the time to be involved and we have had positive feedback from those who attended. Mr Al-Asmar will be providing information to parents of children in Year Two on Tuesday 11th February at his Key Stage One SATs meeting which will be held in his classroom at the end of the school day. As a school we aim to support you as parents as much as we can by providing you with information and ways in which you can help your child at home. If you missed the meetings and feel you require any additional information please do come in to see teaching staff who will be happy to talk to you.

This week PTFA held their Spring Term meeting and it was an extremely productive evening with staff and parents sharing fundraising ideas and ways in which we can promote events that will bring the school community together. As a small school with a small budget we really appreciate and value the support of our parents and pupils, as the additional funds help enrich the opportunities available to our pupils. We are very understanding of the demands of running the PTFA and the pressure of organising events with limited numbers of available volunteers. With this in mind, staff have organised a 'Bingo' evening on Friday March 20th. The money raised from this event will go into School Funds which ultimately pays for all the additional extras, for example, shortfall from trips, forest school, resources for classes to name but a few. We do hope that you will be able to join us for what we hope will be a fun evening!

It has been a really busy, fun filled, productive week here at St. Lawrence, with children being involved in lots of additional enhancement opportunities. We welcomed Judie Ellis on Tuesday and Wednesday, and the children had the most fantastic time exploring outdoor activities linked to the topics for this term in our Forest School area. Children in Class 3 made their own soup and bread, children in Class 2 made their very own Stone Age weapons and children in Class 1 made and ate their own porridge, which was a highlight! Judie was really pleased with our enthusiastic, resilient children who braved the cold, chilly air. Sasha from 'Hoola Nation' was also very impressed on Thursday with the 'hoola' skills of the children here at St. Lawrence.

Finally, I would also like to thank you for all the kind donations of cakes for today's cake sale, we were overwhelmed with your generosity. I would like to thank Mrs Stevens for all her hard work organising this event with help from dedicated staff.

Wishing you a wonderful weekend and thank you for your continued support.

Mrs Alison Moore

Our Week in School!

FOREST SCHOOL

Celebrating Success this week!

Class One

Class Two

Sophie A—for being helpful and kind

Graciella - for 'Being the best she can be with God'

Class Three

Jacob : Always working hard and quietly in class.
