

St. Lawrence CE Primary School

Executive Head Teacher - Miss. Helen Osterfield

Head of School - Mrs. Alison Moore

Dear Parents and Carers,

Friday 6th March 2020

Firstly, I would like to apologise for the error on last week's Newsletter concerning the venue for our Easter Service. Just to confirm the service will be held at St. Lawrence Church (as usual), on Friday 27th March at 9.30am. The PTFA have confirmed that they will be serving refreshments on the morning so you are welcome to drop your child at school and then make your way up to church for a light refreshment before the arrival of the children.

Last Friday, children enjoyed participating in a family day celebrating St. David's Day. Children worked collaboratively in their houses and were involved in activities that promoted knowledge of the Patron Saint of Wales. It was lovely to see the variety of activities on offer and to see the children really happy and engaged. A big thank you to our Year 6 House Captains who once again were excellent role models.

World Book Day celebrations were a huge success on Thursday and it was great to see the children dressed up in so many different outfits. Our theme this year was celebrating difference and diversity and our tag line 'be who you want to be' was supported by the books that we chose to read to the children. Thank you for all your support and particularly engaging with the mystery book initiative. Children really enjoyed unwrapping the books and sharing and talking about the texts with their friends.

Staff had some more up-to-date training on Anaphylaxis earlier in the week and we ask that you notify the school office as soon as possible if your child has any allergies or is undergoing allergen testing. As part of our induction process we do ask you to fill in forms about allergies, but if there are any changes we do need to be kept informed. Our priority is keeping your child as safe as possible.

Year Two children and staff were looking forward to their Stone Age Workshop on Tuesday but unfortunately this didn't happen as the leader made his way to St. Lawrence, Preston Lancashire! The children still had a wonderful time and huge thanks goes to Mr Al-Asmar, Mrs Sankey and Miss Tyson for their adaptability and creating some lovely learning experiences to make the day special and ensure that the children were not disappointed. The Back2Basics workshop has now been rescheduled for Tuesday 10th March.

Wishing you all a happy weekend

Mrs Alison Moore
