## Calm Brain

We are therefore going to offer free access to CalmBrain for all parents, giving them unlimited access to the Jukebox for the duration of the school closure. All we need is the name and email address of the parent, and the school that their child attends.

We would be very grateful if you could help us by emailing all your parents and telling them that all they need to do to get access is email us at [calmbrainsupport@calmbrainapproach.com](mailto:calmbrainsupport@calmbrainapproach.com) giving the following information:

- Their first and last name (i.e. the name of the parent; we do not need the name of the child)
- The parent's email address
- The name of the school their child attends

This will provide children and their parents with access to over 100 CalmBrain movements in the Jukebox based on Positive Emotions and CalmBrain Phases.

We hope that this is of help, and that you all stay safe and healthy in the months ahead.
