

St Lawrence C.E Primary School

Sports Premium Grant Report September 2019-2020

Sports Premium

Through the 'Sport Premium', the government provides funding to support the delivery of physical education (PE) and sport in primary schools. This funding – provided jointly by the Departments for Education, Health and Culture, Media and Sport – and will be allocated directly to primary schools across England. This funding is ring-fenced and therefore can only be spent on provision of PE and sport in schools.

In 2019/2020 St Lawrence's Sports Premium Grant is £17,971

Purpose of funding

Schools must spend the additional funding on improving their provision of PE and sport, but they will have the freedom to choose how they do this.

Possible uses for the funding might include:

- hiring specialist PE teachers or qualified sports coaches to work with and train primary teachers when teaching PE
- supporting and engaging the least active children through new or additional Change4Life clubs
- paying for professional development opportunities for teachers in PE and sport
- providing cover to release primary teachers for professional development in PE and sport
- running sport competitions, or increasing pupils' participation in the School Games
- buying quality assured professional development modules or materials for PE and sport
- providing places for pupils on after school sports clubs and holiday clubs
