

St Lawrence C.E Primary School Sports Premium Grant Report September 2020-2021

Sports Premium

Through the 'Sport Premium', the government provides funding to support the delivery of physical education (PE) and sport in primary schools. This funding – provided jointly by the Departments for Education, Health and Culture, Media and Sport –and will be allocated directly to primary schools across England. This funding is ring-fenced and therefore can only be spent on provision of PE and sport in schools.

In 2019/2020 St Lawrence's Sports Premium Grant is £17,971 The projected estimated budget for 2020/2021 is £16,700

Purpose of funding

Schools must spend the additional funding on improving their provision of PE and sport, but they will have the freedom to choose how they do this. Possible uses for the funding might include:

- hiring specialist PE teachers or qualified sports coaches to work with and train primary teachers when teaching PE
- supporting and engaging the least active children through new or additional Change4Life clubs
- paying for professional development opportunities for teachers in PE and sport
- providing cover to release primary teachers for professional development in PE and sport
- running sport competitions, or increasing pupils' participation in the School Games
- buying quality assured professional development modules or materials for PE and sport
- providing places for pupils on after school sports clubs and holiday clubs

Key achievements to date: 2019-2020 (Oct 2019 update)	Areas for further improvement and baseline evidence of need:
Forest School area redeveloped by Wrekin Forest School- all classes access the facility regularly Improved swimming outcomes Sports apprentice in place and actively working to provide activities for pupils Greater involvement of Ks1 and 2 pupils in inter and intra school competitions Increase range and quality of PE provision across the school- secure further targeted CPD for all staff and new staff and quality resources to support the provision. Increase activity during each day- 30:30 provision, Jumping Jaxx activities, use of sports apprentice skills. Improve extra-curricular PE offer Target PE offer to vulnerable pupils at risk of limited activity/obesity Improve the image of PE at the school	Lawrence at TWSSP events and locally organized inter school events. Aim for all children from Y1 – Y6 to take part in TWSSP or Cluster event. Review the Year Groups attending Swimming: is it possible to get more
	gymnastics and dance teaching?

The school closures that have occurred due to the COVID19 Pandemic in the academic year 2019/2020 has resulted in a possible surplus budget of approximately £6000 being carried over into the PE budget for 2020/2021. It is also important to note the possible effects COVID19 will have on PE and Sports in 2020/2021.

Meeting national curriculum requirements for swimming and water safety	Please complete all of the below:
What percentage of your Year 6 pupils could swim competently, confidently and proficiently over a distance of at least 25 metres when they left your primary school at the end of last academic year?	100% at the end of 19/20 Target (100% for 20/21)
What percentage of your Year 6 pupils could use a range of strokes effectively [for example, front crawl, backstroke and breaststroke] when they left your primary school at the end of last academic year?	100% at the end of 19/20 Target (100% for 20/21)
What percentage of your Year 6 pupils could perform safe self-rescue in different water-based situations when they left your primary school at the end of last academic year?	100% at the end of 19/20 Target (100% for 20/21)

Schools can choose to use the Primary PE and Sport Premium to provide additional provision for swimming but this must be for activity **over and above** the national curriculum requirements. Have you used it in this way?

Additional swimming sessions will be offered to pupils who school targeted for activity and improvement. No extra costs involved.

Action Plan and Budget Tracking

Capture your intended annual spend against the 5 key indicators. Clarify the success criteria and evidence of impact that you intend to measure to evaluate for students today and for the future.

Train Sports Leaders to run lunchtime activities and provision.				

COVID 19 Surplus Budget Project – How can we change PE and Sport at St Lawrence for years ahead?

Current suggestions:

- Artificial 5 a side all weather area for use in Autumn Term to space out children in non-field use weather.
- Storage area for equipment to declutter the hall and therefore use it to full potential when teaching PE.
- Fixed exercise equipment on playground for children to access.
- Healthy eating vegetable plot/greenhouse grow our own food and eat it at lunch/breaktime.
- Introduce a pastoral/coach/mentor for children in school once a week/fortnight to support SEMH.

Current equipment for purchase proposal:

- Key Stage 1 Mobile Basketball Hoop and Basketballs.
- Gymnastic Mats.
- Table Tennis Sets.
- Badminton Sets.
- Skipping Ropes.
- Hula Hoops.
