

Coronavirus (COVID-19): Risk Assessment Action Plan for Full opening of schools from the beginning of the Autumn Term (Phase 2)

### for St Lawrence CE Primary

Assessment conducted by:	Job title:	Covered by this assessment:
Helen Osterfield and Alison Moore	Executive Headteacher and Head of School	Opening School Sept 20 all year groups
Date of assessment: 10.7.20 Reviewed 25.9.20	Date of next review: 23.10.20	This document was written on 10.7.20 and you must ensure you are completing the newest format

The sole purpose of this risk assessment is to support schools for all pupils in all year groups to return to school full time from the beginning of the autumn term, while reducing the risk of coronavirus transmission

- For the purpose of this risk assessment, the term 'coronavirus' to refer to coronavirus disease 2019 (COVID-19).
- Schools must ensure that this risk assessment reflects the local setting and context of the school.
- Staff and unions must be consulted with regard to this risk assessment.
- This risk assessment is not exhaustive and some of the controls will be dynamic. This is issued to schools as a template to assist in the production of a comprehensive document that covers the particular circumstance of the setting as such, the risks and risk controls should be deleted/ amended/ added-to to reflect the school.
- This should be viewed alongside relevant advice and guidance from the Department of Education and reflect any additional subsequent guidance issued to schools.
- When implemented in line with a revised risk assessment, these measures create an inherently safer environment for children and staff where the risk of transmission of infection is substantially reduced.

enough tissues and bins available in the school to
support pupils and staff to follow this routine
Posters are displayed at the entrance to the school,
around school and in every classroom reminding staff,
pupils, parents and visitors of the hygiene practice
required in school (e.g. washing hands before
entering and leaving school)
Pupils to wash their hands with soap before and after
break times and lunchtimes and at the start and end
of the day for no less than 20 seconds
School uses the E-Bug material
Teachers to reiterate key messages in class-time
(when directed) to pupils to:
- Cover coughs and sneezes with a tissue,
- To throw all tissues in a bin with a lid
- To avoid touching eyes, nose and mouth with
unwashed hands.
Additional alcohol-based sanitiser (that contains no
less than 60 percent alcohol) and tissues to be
provided for the school reception area, dining hall,
classrooms and other key locations for staff, pupils
and visitors
Infection control procedures are adhered to as far as
possible in accordance with the DfE and PHE's
guidance
Sufficient amounts of soap (or hand sanitiser where
applicable), clean water, paper towels and waste
disposal bins are supplied in all toilets and kitchen
areas
Hand washing facilities are supervised by staff when
pupils are washing their hands to avoid overcrowding
in hand washing areas

		<ul> <li>Pupils and staff do not share cutlery, or crockery unless it has been washed through the dishwasher. No food is shared. Staff can bring their own cutlery and crockery if they wish.</li> <li>All utensils are thoroughly cleaned before and after use</li> <li>Support staff and teachers will take responsibility for cleaning door handles and tables after lunch</li> <li>Follow T&amp;W cleaning in school guidance ( Copy to be placed in each classroom)</li> <li>As a result, all pupils and staff are adhering to high standards of hygiene to minimise risk of transmission.</li> </ul>					
Hand Hygiene	H	<ul> <li>Coronavirus (COVID-19) is an easy virus to kill when it is on skin. This can be done with soap and running water or hand sanitiser. Schools must ensure that pupils clean their hands regularly, including :</li> <li>when they arrive at school,</li> <li>when they return from breaks,</li> <li>when they change rooms</li> <li>before and after eating.</li> <li>Regular and thorough hand cleaning is going to be needed for the foreseeable future. Points to consider and implement:</li> <li>whether the school has enough hand washing or hand sanitiser 'stations' available so that all pupils and staff can clean their hands regularly</li> <li>supervision of hand sanitiser use given risks around ingestion. Small children and pupils with complex needs should continue to be helped to clean their hands properly. Skin friendly skin cleaning wipes can be used as an alternative</li> </ul>	L	1	Alison Moore Laith al Asmar	<u>17.7.20</u>	Helen Osterfield

	more coughing episodes in 24 hours (if they
	usually have a cough, it may be worse than
	usual)
	A change to their normal sense of taste or smell
	(anosmia)
	Children may also display gastrointestinal
	symptoms and you should follow advice on the
	flow chart provided by the Health Protection Hub
	They must be sent home and advised to follow
	'stay at home: guidance for households with
	possible or confirmed coronavirus (COVID-19)
	infection', which sets out that they must self-
	isolate for at least 7 days and should arrange to
	have a test to see if they have coronavirus
	(COVID-19). Other members of their household
	(including any siblings) should self-isolate for 14
	days from when the symptomatic person first had
	symptoms. Complete the school notification form
	and send to
	HealthProtectionHub@telford.gov.uk.
	Appropriate PPE is sourced and guidance on its
	location, use and disposal issued to staff in line with
	government guidance on what to do if a pupil or staff
	member becomes unwell (see PPE guidance for
	schools)
	All staff are informed of the procedure in school
	relating a pupil becoming unwell in school:
	Use Head's Office as Isolation Space.
	First Aider in the specific class Bubble will take the
	child to the isolation area and stay with the child,
	office staff to make contact with parents
	Bubble A (Class 1) First Aider – Anita Pollard
	Bubble B First Aider (Class 2) – Carmen Leon

Dubble O First Aider (Olses 0) — Osnaliza Osaless
Bubble C First Aider (Class 3) – Caroline Sankey
If sick, full PPE, use designated bowl.
High Temp- isolate in Isolation Room, call parents.
Follow infection control policy.
Remind them of the need to isolate
Any pupil who displays signs of being unwell is
immediately referred to the designated First Aider in
their Class Bubble, as above
Any staff member who displays signs of being unwell
immediately refers themselves to Mrs Moore or Mrs
Care (See guidance on Dealing with incidents at
school)
Where the named person is unavailable, staff ensure
that any unwell pupils are moved to an empty room
whilst they wait for their parent to collect them. School
admin team to contact parents. Parents advised to
follow the COVID-19: Guidance for households,
including accessing testing
If a pupil needs to use the bathroom, they should use
a separate bathroom (Designated Staff Toilet) which
will be cleaned after use. Until it is cleaned a sign will
be in place 'Do not use, awaiting cleaning' and staff
will use the alternative disabled toilet.
<ul> <li>Pupils displaying symptoms of coronavirus do not</li> </ul>
come in to contact with other pupils and as few staff
as possible, whilst still ensuring the pupil is safe. A
facemask should be worn by the supervising adult if a
distance of 2 metres cannot be maintained
If contact with a child or young person is necessary,     then aloues an enter and a face mark should be work
then gloves, an apron and a face mask should be work
by the supervising adult. If there is a risk of splashing,
eye protection should also be worn

Poor management of pupil numbers reduces the ability of pupils and staff to practice social distancing.	H	<ul> <li>The relevant member of staff calls for emergency assistance immediately if the pupil's symptoms worsen</li> <li>Unwell pupils who are waiting to go home are supervised in a designated area near the front of school where they can be at least two metres away from others</li> <li>Areas used by unwell pupils who need to go home are identified as out of bounds, thoroughly cleaned and disinfected once vacated.</li> <li>Following a suspected case head teachers should follow the guidance in appendix 2</li> <li>Assess the schools ability to follow T&amp;W cleaning in school guidance, if unable to complete notify the Local Authority</li> <li>As a result, any member of the school community who becomes unwell, is isolated quickly and appropriate action is taken to minimise the risk of infection.</li> <li>Leaders to identify and communicate clearly to parents and pupils who is to attend and the times they are to attend</li> <li>Leaders to calculate capacities of classrooms. Classrooms allocated for provision and arranged so that pupils can remain 2 metres apart where practicable (taped markers on the floor)</li> <li>Unlike older children and adults, early years and primary age children cannot be expected to remain 2 metres apart from each other and staff. In deciding to bring more children back to early years and schools, we are taking this into account. Schools should therefore work through the hierarchy of measures set</li> </ul>	Ŀ	1	Alison Moore Laith Al- Asmar	17.7.20	Helen Osterfield
