## **Closure of St Lawrence CE Primary for two weeks. Closure of Class 1 Bubble for 14 days.**

Dear Parent,

Unfortunately, your child has been in close or direct contact with someone confirmed as having COVID-19. Your child will therefore need to self-isolate for 14 days. As a parent, you yourself will not need to self-isolate unless you have symptoms and will therefore need to take a test.

Advice on this can be found here: <https://www.nhs.uk/conditions/coronavirus-covid-19/self-isolation-and-treatment/when-to-self-isolate-and-what-to-do/>

If your child develops symptoms and you would like them to be tested, please call 119 to book a test. I would advise however that if the test result is negative, they will still need to complete the 14 day self-isolation as the illness may develop after they take the test.

The school has a Remote Curriculum that you can access to support your child's learning during this time. This can be found on the website and teaching staff will support through SeeSaw.

Due to staff contacts with the positive case, we will also be closing Class 2 and Class 3 Bubbles for operational reasons; we do not have sufficient staff to maintain these classes safely.

I am sure you will understand the safety reasons for taking this action. We hope to be fully open by Monday November 23<sup>rd</sup>. We will keep you informed of our next steps.

If you require any further information, please don't hesitate to contact us on the school email

Kind regards

*Paul Evans*  
Chair of Governors

*Helen Osterfield*  
Executive Headteacher
