## **Closure of St Lawrence CE Primary for two weeks. Closure of Class 2 and 3 Bubbles due to operational reasons.**

Dear Parents/carers,

Unfortunately, we have two positive cases of COVID-19 in school. Due to staff contacts with the positive case needing to self-isolate for 14 days themselves, we will be closing Class 2 and Class 3 Bubbles for 14 days for operational reasons; we do not have sufficient staff to maintain these classes safely. Neither you nor your children need to self-isolate.

Class 1 Bubble is closed for all staff and pupils who will need to self-isolate for 14 days.

I am sure you will understand the safety reasons for taking this action but it is with safety of all the school community in mind.

We hope to be fully open by Monday November 23<sup>rd</sup>. We will keep you informed of our next steps and any changes.

If your child develops symptoms and you would like them to be tested, please call 119 to book a test and please let school know if the outcome is positive.

During this time the school has a Remote Curriculum that you can access to support your child's learning whilst the school is closed. This can be found on the website and teaching staff will support through SeeSaw as we have done during the previous lockdown.

If you require any further information, please don't hesitate to contact us on the school email

Kind regards

*Paul Evans*  
Chair of Governors

*Helen Osterfield*  
Executive Headteacher
