Dear Parents and Carers,

Welcome back to school after half term, I hope everyone has had an enjoyable break and feels ready for the run up to Christmas.

This may well be the strangest Bonfire Night and Christmas ever!

We are now in Tier 2 (High) for the local Telford & Wrekin area- please see the link below to check on exactly what this means, and from Thursday we will all be back in the Lockdown; the link below gives more details of what we will and will not be able to do from Thursday.

[Local COVID Alert Level](#)

[new national restrictions](#) from Thursday November 5th until Wednesday December 2nd.

I am very aware that a further 4 week lockdown will cause many of you some concern in the light of your jobs and businesses and those of you who are involved with the NHS are no doubt preparing for the significant and vital work that you will be expected to deliver in this time. It's not much fun: we know what to expect this time around and we know that for many there will be more separation from family and friends.

We know it won't be an easy time for anyone, but this time be reassured that school is open for all our children and business is as usual for schools. We will continue to make school life as normal as possible and we will certainly ensure some fun in the run up to Christmas.

Currently, I only have the information I have shared, but I am in no doubt there will be more coming along from National Government and the Department for Education and I will keep you informed as we go on.

Help us all to keep safe:

Hands--Face--Space

Please could all children wash their hands at home just before they leave in the morning- we will continue the hand washing on arrival and before children leave at the end of the day.

Please can all adults continue to support our Covid secure arrangements and not congregate by the gates at drop off and collection time. From Thursday 5th November please wear a face covering when you are dropping your child off and collecting whilst you are on the school site. This will protect yourself and those in our school community. It would be preferable if you could telephone or email school to speak to a member of teaching staff as this reduces the amount of contact.

Please maintain the 2m social distancing and leave as soon as you can. We thank you for your continued support during these difficult times.

Keep safe everyone.

Yours sincerely,

Miss H Osterfield
Executive Head

Mrs A Moore
Head of school
