

SMASH LIFE EVENTBRITE VIRTUAL MOTIVATIONAL EVENT:

HALF TERM 16/02/21

This event will be online via Eventbrite and zoom so will be available nationally for children and professionals that need some motivation and inspiration that the current situation wont define them and they can still go on to believe and achieve in life.

We encourage children and professionals, parents, carers, guardians to watch this together as it may stimulate healthy conversations and provide lightbulb moments. If you support a child / young person who needs inspiration then why not enrol them on this event...we will also be happy to answer any question.
