'Being the best we can be with God'

21st April 2021

Dear Parents,

Children in Year 4 have been invited to a 'Spring Explorers' outdoor workshop by Newport & District Agricultural Society at The Lodge, Chetwynd Deer Park, next Friday 30th April.

The format for Spring Explorers this year will be:

- Water Wonderland – venture into the unknown, via pond dipping off a jetty and identify water wildlife
- Mini Beast Bug Hunt – a chance to explore around Chetwynd Deer Park and observe nature springing into life
- Tasty Treats – experience an alternative to the normal traditional protein food (edible bugs) **please note we need to know if children have nut allergies.**

We have been working closely with Sally Western, the Events Manager to ensure that the event meets covid-secure guidelines and risk assessments are in place. We think this link with Chetwynd Deer Park is much needed and the outdoor experience will be a hugely enjoyable experience for all the children involved.

Children will need to bring in a packed lunch on the day as they will leave school by minibus at 12 noon for a 12.30 start and return by the end of the school day at 3.05pm.

The experience is a free event but we do ask for a voluntary contribution of £4.00 to cover the cost of transport this can be paid via Parentmail.

Please can you fill in the slip below and return to school by Monday 26th April if you give permission for your child to go on the trip and please indicate if your child has any food allergies, in particular a nut allergy.

Kind Regards,

Alison Moore
