## Class 4 Weekly News

As part of our English work on the text 'Journey to Jo' burg by Beverley Naidoo, Class 4 have learnt about the history of the Apartheid system in South Africa. The children considered what it would be like for everyday South Africans during the system between 1948- 1999. They also learnt about Nelson Mandela and how he went from imprisonment, to become the President of South Africa.

October is Black History Month in the UK and this week, in addition to Nelson Mandela, we have also talked about the lives of other key influential figures such as Martin Luther King and Rosa Parks. In Class 4 we have permanent displays around our classroom that teach us about the importance of equality, and respecting and celebrating diversity.
