

Class 3 Weekly News

Class 3 Weekly News

We have had another busy week of working hard in Class 3! In maths, we have been focussing on numbers greater than and less than.

In Science, we learnt about the muscles in our body and had a go at creating our own biceps with car and elastic bands. This helped us to see how our muscles work.

In our topic this week, we have been learning about the Anglo Saxons and their clothing. We enjoyed working in groups to make clothing from the era: tunics, headdresses and jewellery.

Then, we enjoyed trying the different techniques for making clothes such as sewing, weaving, plaiting and threading to make jewellery.
