## Class 3 Weekly News

This week, class 3 have been getting into the Christmas mood and practising their nativity. St Lawrence has been filled with singing and festive spirit whilst we have been learning our parts and songs for the big day!

In our subjects, we have been continuing addition and subtracting, reading our class book 'Beowulf' and looking at examples of diary entries to begin our writing next week.

On Thursday, we had a visit from Alison from Dog's Trust who explained the charity and gave guidance on how to treat and care for dogs.
