

Class 2

The final week of term before Christmas has been focused on finishing learning content for this term, putting the finishing touches to our Nativity performance and getting ready for the festive holiday.

I am very proud of Class 2 as we end the Autumn Term. Every child in class has worked hard, enjoyed their learning, progressed and produced some fantastic work! We need to keep this up going into the Spring Term and I am sure we will. Well done on a brilliant term!

I decided that for this newsletter, I would put a snapshot of our Autumn Term in Class 2 below. We have a display in class where pictures that capture the term are added as a reminder of our achievements and I want to replicate this here today.

Merry Christmas, a Happy New Year and best wishes from myself and the team in Class 2.

Mr Al-Asmar
