

Class 3 Weekly News

Class 3 Weekly News

This week, we are extremely proud of our Anglo Saxon broaches created by Class 3! Each child designed their broach based on what they had learned and have brought their fine detail to life with beautiful metallic paints.

We have been extremely busy practicing our Christmas nativity for next week and are looking forward to our performance. All children have memorised their parts and words to songs so well! Christmas is definitely coming at St Lawrence!
