

Class 1

The classroom has been full festivities this week, it's been just wonderful. From Christmas jumpers to a delicious Christmas lunch, a visit from Santa and his elves, watching our Nativity with Class 4, making Christmas cards and many other lovely Christmas activities in between. Seeing the children's faces light up and hearing their laughter has been such a joy. Happy Christmas Class 1!

The children had great fun creating and decorating their very own tree and retelling the Christmas story using blocks with their photographs of them wearing their costume.
