

# Class 1

This week, lots more fantastic learning has been happening in class 1. In maths the children have been exploring the concepts of one more and one less and in phonics children learnt the sounds 'j', 'v' and 'y.' They have also been discussing how they have changed since being a baby and learning all about the Jewish festival of Hanukkah. They enjoyed making a Dreidel too. Well done Class 1!

"When I was a baby I crawled, now I can walk, jump, hop and lots of other things." Esmae.

Albie used practical equipment to help him solve problems involving one more and one less. "There were 5 leaves, 1 blew away. How many were left?" Albie said "I started with 5, 1 has gone, so that leaves 4. 1 less than 5 is 4."

Clara made a Dreidel. "Jewish people like to play Dreidel on Hanukkah to win chocolate coins."

"It looks like a fun game." Ella

"They write Hebrew letters on the Dreidel." Theo
