

# Class 2

This week in Class 2, we've been working hard in Art on our Repeating Pattern Unit. Our focus artist has been Julia Rothman and we've used her work as inspiration to produce some wonderful patterned artwork. Below are pictures of the work we've done this week and I will be uploading a rolling video of our Repeating Pattern Artwork to the website.

We've been building 2D Castles in Forest School this week. Some of us made gigantic castles and some of us built smaller castles.
