

Class 2

We've begun our theme work on castles this week, using Guided Reading and History sessions to investigate and understand the make up of castles. The children have been very inquisitive and excited about the new theme. In Maths, the Year 2 children have been continuing the work we started on Money; this week we have been making totals and comparing amounts.

In Forest School, we have been looking at the story - It was a Cold Dark Night. We took inspiration from this to identify the perfect places for hedgehogs to hibernate, before building them shelters.

Mrs Leon has been teaching us about Epiphania - a celebration that occurs in Spain to commemorate the wise men (3 Kings) giving presents to Jesus once they arrived in Bethlehem.
