

Class 1

This week we have been so impressed with the children's listening and focus. They are enjoying our dance unit in PE, in phonics they learnt the digraphs 'ay' and 'ee' and in maths they have been comparing numbers using the words more than, less than and the same as. We also loved meeting 'Derek the dragon' which Alison from the school nurse team brought along to talk to the children about keeping our teeth healthy.

Class 1 are now very knowledgeable about teeth and how we can look them. Here is a selection of things they said:

Clara: "Our teeth help us to talk and eat. The back teeth cut the food into smaller pieces."

Esmae: "We should brush our teeth two times a day, in the morning and before bed."

Ewuradwoa: "Do not have a drink after brushing because you wash away the magic of the toothpaste."

During early morning activities, Niamh choose to do a jigsaw and then wrote a sentence about it. Fantastic phonics and red words here. Well done Niamh!
