

Class 3 Weekly News

Class 3 Weekly News

What an exciting week we have had in Class 3! We received information, from Mrs Sankey, that a strange creature had been seen in the quiet garden so children went to investigate! There were scratches, footprints, a nest with a gigantic egg and even a smoking log! The children decided it had to be a DRAGON!

On Thursday, children in Class 3 had their first ukulele lesson with our ukulele teacher, Olivia. She was very impressed with their techniques and congratulated them on their rhythm and beat. Well done, class 3!

We have been continuing our Viking topic and enjoyed playing themed board games after our hard work!

Next week, we will be experiencing what life was like for the Vikings, in our forest school session.

Children also enjoyed their first swimming lesson on Friday and were impeccably behaved, reflecting the St Lawrence way.
