

# Class 4 Weekly News

*This week in Class 4, we have started our new RE unit on Hinduism, learning about the key beliefs. In Science, we have continued our topic on Space, researching facts about the various planets. In Computing, we have continued our unit on computer programming. This term, we are linking our Art topic on Mosaics to our work in Forest School and this week the children produced excellent mosaic themed displays on the playground using materials found in our school outdoor environment. See the photographs below for our impressive outdoor forest school themed mosaics!*
