

Class 1

This week children have enjoyed using our new spaceship role play area, revising set 2 sounds, exploring capacity, learning about mass using the story 'Balancing Act', descriptive writing using our text 'The Smeds and the Smoos', learning about Chinese New Year and cooking a Chinese dish. In writing we focused on using a capital letter at the start of a sentence. It's wonderful seeing the children so passionate about their learning.

"The tub is heavier than the shape, that side has gone down." Albie

The children showed fantastic teamwork building a spaceship in the outdoor area and loved blasting off into space.
