Class 3 Weekly News

On Tuesday Class 3 enjoyed a very exciting and informative history day. Eric Ericson from the Longship Trading Co. transformed our School Hall back 1300 years to the age of the Vikings. We were truly amazed at the effort the children and parents had gone to with the Viking costumes, well done everyone.

The children have enjoyed their Viking theme this half term and have learnt a lot of things about them.

Swimming on Friday was a great success with two children receiving their 25 metres badges and certificates!

Have a lovely half term, Class 3!

The day we became Vikings
