

Class 4 Weekly News

February is LGBTQ+ History Month and as part of our work on relationships, this has been our focus for the past few weeks in Class 4 in PHSE. We have learnt what LGBTQ+ means, how people identify and view themselves, about different types of families, about gender stereotyping, about important equality acts have come into place in law over the last 25 years, and about the history of Pride. Class 4 have had some fantastic discussions and in Darcey's (Y6) own words 'Discrimination is banned...equality is not'.
