

Class 4 Weekly News

This week we took our Greek activities outside! We have so far learnt about when the Greeks lived, the difference between life in Athens and Sparta, who Alexander the Greek was and the twelve main Greek Gods. During this week we have learnt about Aesop's fables, a group of stories thought to have been written by the Greek storyteller. Our Forest School Area took on the purpose of a Greek open air theatre and we enjoyed acting these out in groups in the open air! Well done Class 4.
