

# Class 1

This week we have enjoyed preparing for our Easter service, lots of wonderful learning through play outside making a shop, in phonics we have revised some of the set 2 sounds ay, ee, igh, oo, in maths we have explored length and in understanding the world we learnt about our 5 senses. In book talk we used 'Vocabulary Victor' and discussed the meaning of new words in the book 'Biscuit Bear' and made our own playdoh biscuit bear.
