

# Class 1

The children have enjoyed a wonderful start to the new term. We have been focusing on learning months of the year, revising the sounds 'air' and 'ir' as well as the red words. We have explored our sense taste and used our other senses to spot signs of spring. We have also found out about the celebration of Eid, making our own Eid cards and designing our Mendhis.

Before we tasted the foods, we predicted what we thought they would taste like.

We used mirrors to look carefully at our tongues. We observed the spots on our tongue, they are in fact our taste buds. We have more than 10,000 taste buds!

"The fizzy lace tastes sweet and sour. It must be sweet because it's got sugar on." Albie

"The tortilla is definitely salty, it makes me thirsty. I eat these at home." Ewuradwoa
