

Class 1

This week children have been exploring the composition of 9 and 10, learning about Diwali and producing some fantastic writing linked to our vehicle text 'The Extraordinary Gardener.' To support our learning about one of our new core values, courage, we have listened to the story of Daniel in the lions' den and created some stunning pieces of artwork to capture the story. The children have also enjoyed time outdoors in the sunshine playing with the water, sand, construction equipment and in our new role play area.

Niamh and Rosa acted out the story of Rama and Sita.

Theo had fun taking telephone orders for plants in 'The Flower Pot.'

"We're making a volcano explosion with the water. Lava comes out of volcanoes." Ella

"We've made shell island, islands have water all around them, the blue is the ocean." Ewuradwoa
