

Class 4 Weekly News

This week, we have started our new RE unit entitled 'How can following God bring freedom and justice?' As part of our first lesson we learnt all about the life of Moses, from him being put into a basket as a baby, to him leading children of Israel out of Egypt and crossing of the Red Sea in his later life, to his receiving of the Ten Commandments.

We have continued to work hard in our Reading Comprehension this week, using our VIPER (vocabulary, inference, prediction, explain and retrieval) skills in different extracts of poetry. Well done Year 5 and 6.
