

Class 3 Weekly News

Class 3 Weekly News

We have had another exciting week in Class 3. We have made the most of the weather and spent lots of time doing outdoor learning. This week we have focused on art and landscapes. We have also enjoyed doing lots of research in Geography for our topic "Are all parts of the UK the same?"

On Tuesday we enjoyed another visit from Olympic archer Patrick. We had another opportunity to have a go at shooting the bow and arrows. The children had lots of fun!

Mrs. Dodwell was extremely kind this week and let Class 3 take the short walk to the field at the bottom of her garden. She has the most beautiful view of the wonderful landscape we are lucky to live in.. The children all took some paper and had a go at drawing the wonderful landscape.
