

Class 1

What a wonderful first week back we have had in Class 1. The children have all been very enthusiastic about new topic of Africa which will provide so much scope for super learning opportunities. They have enjoyed our vehicle text 'Little Why' with its beautiful illustrations which is a great stimulus for writing.

Clara could show Miss Fisher where Kenya was on the globe. "Kenya is in Africa and Africa is the shape of an elephant's ear."

Rosa produced some stunning pictures with incredible detail of African animals.

"I made a waterfall in Africa, it's called Victoria Falls, the animals can have a drink and a swim in it because it's very hot in Africa."
Albie

"We are sorting these animals, some are farm animals and some are wild animals which live in Africa."
