**Acceptable Usage of IT Policy**  
**Pupils and Parents**

This is the acceptable usage policy for our school. The purpose of this policy is to promote positive and responsible network and internet behaviour. Please read carefully and sign at the bottom to show you agree to these terms. If you do not sign and return this form you will not be able to use the schools' IT systems.

**For pupils:**

- I will only use the school internet and network for my school work or when a teacher has given permission.
- I will only use my school email address when using email in school.
- I will be careful when opening emails from people I don't know and I will ask an adult if I'm unsure whether to open it.
- I will not share my internet or network passwords.
- I will not look at or delete other people's work or files.
- I will make sure all my contact with other people at school is responsible. I will not cyber-bully pupils or teachers.
- I won't look for or look at unpleasant or inappropriate web sites. I will check with a teacher if I think a website might be unsuitable.
- I won't give out my personal details, such as my name, address, school or phone number on the internet.
- I understand that meeting people in real life who I first met online is dangerous. If someone is asking to meet me in real life I will inform my parents or carers immediately. I will not arrange to meet them by myself.
- I won't upload or download any pictures, writing or movies which might upset people or make other people think the school is a bad place.
- I won't try to install software onto the school network because it might have a virus on and cause a lot of damage. Instead I will ask a teacher for advice.
- I will be careful with keyboards, mice, headphones and all other equipment, and when turning a computer on or off.
- I know that everything I do on the computers at school is recorded and that the school can talk to my parents if a teacher is worried about my online safety.
- I will try to follow these rules all the time because I know they are designed to keep me safe.
- Images of pupils will only be taken, stored and used for school purposes in line with school policy. Images will only be used on the internet, in the press, or in media, with permission.
- I will not alter any settings on I-Pads
