

Class 1

What another brilliant week of learning in class 1. The children are enjoying learning about ways we can stay healthy in PSHE, been busy with book talk activities about our vehicle text 'Gloria's Porridge', exploring numbers beyond 10 and enjoying the sunshine in the outdoor area (as well as dodging the showers!) to explore signs of summer.

We followed a recipe to make our very own healthy ice lollies as we are learning about how to stay healthy in PSHE. We enjoyed eating them too!

"I'm grating the skin from the orange for the healthy ice lollies." Clara

"This is number 12 because it has two 1's and one 10." Theo

"This ice-cream is taller than this one, I like the pink strawberry flavour."
