

Class 4 Weekly News

This week in Class 4, we continued to work on our Literacy poetry unit 'The Highwayman'. After spending the last few weeks analysing the poem and using our reading VIPER skills to understand the narrative, this week, we wrote our own verse, either about Bess, 'the landlord's black eyed daughter', or about the Highwayman himself. Also in Class 4, our current art focus is sketching, so this week we used some of the skills that we have learnt in art, to sketch the Highwayman's horse. A huge well done Year 5 and 6. Some fantastic work produced this week by all!
