## Class 3 Weekly News

We have had another excellent week in Class 3. Children are working so hard and showing enthusiasm in all tasks!

In maths, we have been representing and partitioning numbers to 100 and 1000.

In English, we have been continuing our class book and are enjoying predicting what might happen next, inferring what has happened in the text and using drama to bring extracts to life!

We acted out a scene where the farmers were planning to trap the Iron Man in a hole in the ground, covered in sticks, straw and soil!

The groups made very entertaining scenes that we filmed on iPads.
