

Class 4 Weekly News

In English, we are learning how to write a dual narrative, based on a version of the text 'Hansel and Gretel' and this week, Year 5 and 6 immersed themselves into the story by having fun following in the footsteps of Hansel and Gretel and laying their own bread trails outside. They then examined the text in more detail, analysing author vocabulary choices.

In Maths, Year 5 and 6 have worked incredibly hard thinking about the place value of numbers up to and over one million and solving problems involving this concept.
