

# Class 2

This week, Class 2 have been getting into the spirit of Harvest. We have taken part in a Telford Crisis Charity assembly, rehearsed and performed our Harvest Performance and talked about our school value for the half term 'Compassion' in class worship sessions.

Compassion is "being kind to others to make them feel better and teach them to be kind".

We discussed the Mary Jackson, Katherine Johnson, and Dorothy Vaughan as part of our learning about Black History Month.
