

Class 3 Weekly News

Class 3 Weekly News

What a fantastically busy last week it has been in Class 3! On Wednesday, we attended a Stone Age museum for our topic trip and enjoyed workshops that helped to consolidate our learning from the term.

We made cave artwork, created tools using stone and wood and weaved twine from sheep's wool. In the afternoon, we were able to walk around the rest of the museum and explore the artefacts.

We have also had a lovely week celebrating harvest. Children enjoyed preparing and performing their concert for parents.

Have a lovely half term!
