

Class 3 Weekly News

Class 3 Weekly News

This week, in English, we enjoyed finding features and techniques in our Iron Man text to inform our writing. We analysed chapter 2 and found examples of where tension was built before the Iron Man appeared.

In History, we learned about the Palaeolithic and Neolithic periods of the Stone Age. We found about the type of settlements they lived in and the clothing they wore. We enjoyed comparing the two eras.

We worked in pairs to create outfits for a Stone Age people based on what we had learnt.

Then, during Commando Joes, we had to build a Stone Age settlement using the equipment. We worked well as team.
