

## Class 4 Weekly News

This week, Class 4 concluded their Anglo Saxon topic with a double page spread focusing on the differences between the rule of England during Anglo Saxon times and the way in which the UK is ruled, and led, today. Year 5 and 6 also finished their dual narrative texts based on the Neil Gaiman version of Hansel and Gretel. The writing produced was fantastic and all children should be very proud of their hard work. Below are a couple of examples of our Topic double page spreads and an example of the writing process, including planning and editing a first draft before producing a final copy.
