

# Class 4 Weekly News

*This week, Class 4 visited the Shrewsbury Museum and Art Gallery as part of our Topic work on the Anglo Saxons. They attended a museum led workshop where they learnt more about life during Anglo Saxon times, the discovery of Sutton Hoo, Anglo Saxon burials, and how letters were represented in England between 400 and 900 AD. Each child also made a clay rune with their initials on which they could take home as a reminder of the fantastic day. The children spent the afternoon exploring the rest of the museum in groups, thinking about how artefacts can help us learn more about Britain in the past.*
