

# Class 2

This week, we have finished the last little bits of learning on last half term's topic and begun the work on this half term's topic. In Science the children have produced these terrific fact files on Sharks and I thought it would be nice to share a few of these below. In Maths, we have begun our work on Addition and in PSHE we have started our work on Floss the Playground Boss.

## SHARK

Sharks have gills.

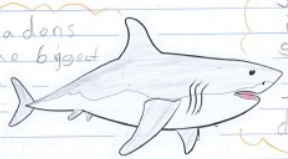

A shark is a type of fish but a bigger version of fish.

Sharks have sharp teeth.

Some sharks are the biggest shark. Some sharks stop swimming they die.

The Pacific ocean has the biggest population with whales.

Sharks are cold blooded.

A great fact file
