

# Class 1

This week the children have been learning about the Christmas story and starting to learn their parts for our Christmas performance. In phonics our focus sound is 'b' and in maths, children have been learning how to describe the position of something using positional vocabulary. We have also explored circles and squares at Treetops Tuesday.

"The hot chocolate lid is a circle shape."  
Brilliant Ella and Freddie C.

Will and Arthur explored the loose parts area and choose to make snowman, Father Christmas, an elf and stars. Well done boys!

I

Alex used his individual letter cards to sound out bin. Well done!

"The sieve from the mud kitchen is a circle on the bottom." Grace
